

DR. COSMETICS PRODUCT LIST

Dr. Cosmetic Products have been used and recommended by more than 2,000 hospitals and clinics for over 10 years.

Regeness Cream (Post Laser Cream)

Post-treatment skin regeneration cream

1. This specialized product effectively aids in skin regeneration by addressing various skin reactions that occur after laser treatments and other cosmetic procedures.
2. It helps soothe sensitive skin after laser filling procedures, reducing blemishes, scars, spots, freckles, and more.
3. It supports post-procedural care for sensitive skin by strengthening the skin barrier and creating a moisturizing film on the skin's surface, ensuring maximum hydration.
4. It contains 1% (10,000 ppm per gram) of Titrated Extract of Centella Asiatica.

Key Benefits

- ✓ Contains 10,000 ppm of Centella Asiatica Extract per gram.
- ✓ High concentration (600,000 ppm) of Centella Asiatica Extract in every 60g tube.

Regeness Cream 60g, 30g, 10g

Regeness Soft Cream

Dead skin care product for the body: hands, elbows, knees, etc.

1. The main ingredients, urea and horse oil, deeply moisturize, soften rough skin, and enhance natural radiance.
2. It contains squalane, Dexpanthenol (Vitamin B5), and Tocopheryl Acetate (Vitamin E) to boost the skin's hydration and antioxidant properties.
3. This cream is highly effective for treating dry, hard, and rough skin on areas like elbows, knees, ankles, heels, and hands, especially when these areas are frequently exposed to water.
4. It effectively improves tough, calloused skin caused by temperature changes throughout various seasons.

Regeness Soft Cream 100g

Regeness Repair Cream

"Moisturizing cream effective for dry and sensitive skin."

1. This cream deeply moisturizes the inner layers of the skin and keeps it hydrated for a long time.
2. The horse oil in Regeness Repair Cream can help with atopy and other skin conditions.
3. This cream soothes and protects the skin from sensitivity and dryness while providing deep hydration.
4. It also helps maintain bright and natural-looking skin by utilizing EGF (Epidermal Growth Factor).
5. Centella Asiatica extract, combined with ceramide, protects and soothes dry, sensitive skin.
6. Shea butter and horse oil penetrate deeply into the skin to keep it moisturized for an extended period.

Benefits

- Free from 9 common additives.
- Provides powerful moisturizing and skin barrier strengthening.

 - When you want to protect your skin from external irritants
 - When you want to improve sensitive skin to make it healthier

Regeness K Cream 30g

Hautgen ACNE Foam Cream

Functional cleanser for Troubled Skin & Acne

- This cleanser is highly effective at removing dead skin cells and cleaning pores by deeply penetrating all areas of troubled skin. It uses a combination of papain and bromelain, both of which are proteases.
- It contains Salicylic Acid, an acne-fighting ingredient that helps with exfoliation.
- Aloe vera leaf extract helps keep the skin moisturized after washing.
- This product also enhances skin hydration and vitality.

Main ingredients

1 Papine

A natural protease found in papaya. Provides skin protection and soothing. Exfoliates with proteolytic enzymes.

2 Bromelaine

A natural protease derived from pineapple stalks. Softens and exfoliates the skin by removing dead skin cells from the stratum corneum without causing damage.

Hautgen ACNE Foam Cream 150ml

Hautgen Spot

Acne Care Cream with Patented Antibacterial Peptide

1. This product is specifically designed and highly effective for treating skin problems, containing a patented antibacterial peptide (KR101689878 - Method of cosmetic compositions for improving acne, KR101689876 - Cosmetic composition for treating acne containing mixtures of peptide and amino acid) and Levan, a natural moisturizing ingredient.
2. It includes Madecassoside, which promotes skin regeneration, as well as Niacinamide and Panthenol, which help with skin brightening and keeping your skin fresh.
3. The spot type makes it easy to apply Hautgen Spot directly to troubled acne areas.

Hautgen Spot 20ml

Regeness Spot

Hypoallergenic Moist Band for Post-Removal of Spots or Pimples

1. This product features a hydrocolloid hypoallergenic patch made from breathable European premium fabric.
2. It combines hydrophilic natural gel and hydrophobic synthetic rubber to effectively absorb exudates from the skin. This helps maintain optimal moisture levels while blocking water, bacteria, and dust, thereby preventing secondary infections.

✓ When to Use

Apply this skin blemish patch when you're concerned about spots or after squeezing pimples.

★★★★★

It's good that the wound heals quickly after using it

★★★★★

It's thin, so it sticks well to my face even after washing my face

★★★★★

I don't have a replacement, so I'm buying it again

★★★★★

I have acne often, so I always have it with me

Hargen Plus Tonic 150ml

Hargen TPC

Mitigate Hair Loss

Hair Direct Nutrition Supplies Ampoule

(Contains Minoxidil derivative Kopexil for hair loss treatment)

1. Nourishes the scalp and hair, helping to maintain healthy hair. An intensive care product for scalp and hair that can be used regularly.
2. Free from 5 harmful ingredients: mineral oil, parabens, silicones, benzophenone, and artificial pigments.
3. This product provides an intensive prescription of natural ingredients, stimulating the scalp and relieving itching.
4. **17 types of amino acid complexes** provide deep nutrition to the scalp.
5. Features a cool, pleasant scent and is easy to absorb with frequent use.
6. Reduces scalp itchiness and irritation, leaving the scalp feeling fresh after use.

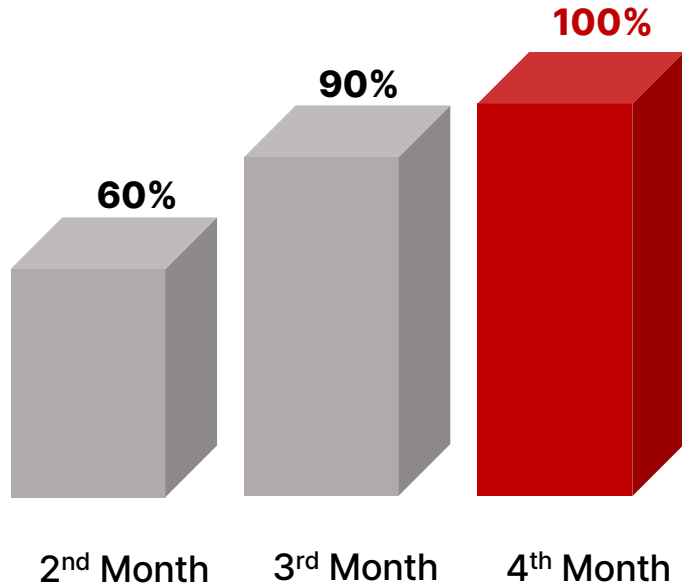

Main Ingredients

- Kopexil:** Provides direct nutrition to the hair as a Minoxidil derivative.
- Protein:** Includes 17 amino acid complexes and 5 peptide complexes.
- Contains three types of low molecular weight proteins (hydrolyzed keratin, collagen, silk).
- Nutritional ingredients:** Ceramide, phytosphingosine, panthenol, adenosine.
- Natural ingredients:** Olive oil, shea butter, and Serenoa Serrulata fruit extract.

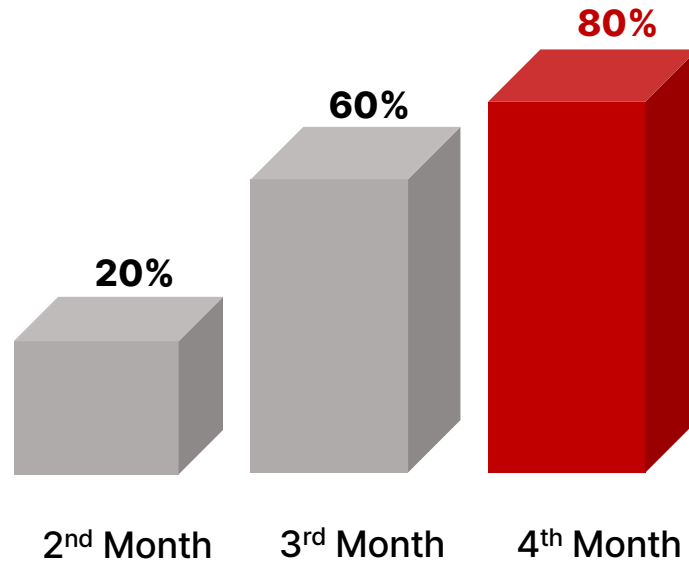

Hargen TPC
5ml x 12ea

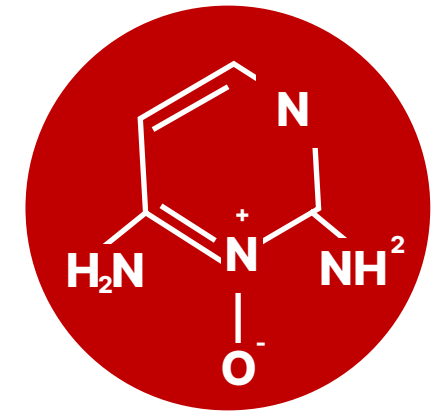

Hargen TPC Components | Kopexil

Reduce hair loss

Increase hair density

Kopexil
(Diaminopyrimidine oxide)

1. Kopexil increases the volume of hair in the growth stage by targeting the deep structure of the roots.
2. It rejuvenates hair roots to support continuous healthy hair growth.
3. Perifollicular fibrosis, a condition where collagen around the roots becomes rigid and tightens, can push hair out; Kopexil helps soften collagen, allowing hair to grow more easily from the roots.

LDL PLUS

Helps reduce body fat by inhibiting the conversion of carbohydrates into fat.

Ingredients of LDL PLUS

Garcinia Cambogia Extract

This is an ingredient in health functional foods that helps **reduce body fat** by inhibiting the synthesis of carbohydrates into fat. The extract is derived from the peel of the Garcinia Cambogia fruit, and among the various components in the peel, **HCA (Hydroxycitric Acid)** is the key functional component recognized for its effectiveness in preventing carbohydrates from being converted into fat.

Alginate

Alginate is a polysaccharide component found in seaweeds like kelp, wakame, and hijiki, and is known as a natural dietary fiber. It has various benefits, such as suppressing blood pressure elevation, lowering cholesterol, and preventing atherosclerosis and obesity. As a water-soluble dietary fiber, it aids in **promoting bowel movements, activating enzymes that inhibit the activity of harmful oxygen, and helping prevent aging**. It also prevents the absorption of triglycerides into the body, which helps prevent obesity.

Carboxymethylcellulose Sodium

This is a white solid made by reacting alkaline cellulose with chloroacetate, and it is a water-soluble fiber component. It acts as an expanding agent by **absorbing water and expanding**, which helps prevent constipation by increasing the bulk of stool. Since it is a water-soluble fiber, it promotes the absorption of water and helps enhance the water absorption of alginate. Its sticky nature helps it stay longer in the stomach, thereby **prolonging the feeling of fullness**.

LDL Plus 180 tablets
